Summary of Activity – Renovation Project  
Presented to the Board  
(Update Number Ten)

Last month's report, dated June 17, 2014, served as a review of the status of the project from August 2013 to the present time. It also marked a turning point in the progress of the renovation as we looked forward to a presentation by two remaining candidates for the position of designer consultant: Kirsten Floyd of Kirsten Floyd Interior Design and Timothy Wooldridge, of Timothy R. Wooldridge Interiors Ltd. A third candidate had withdrawn from consideration prior to the presentation.

The event took place last evening, July 14, as scheduled. In attendance were three board members (Marty Levitz, Ilona Levitz, and Joyce Falkin) and ten members of the ad hoc committee and the advisory group of owner participants who have been actively involved in the process. Interaction between candidates and owners led to many questions being asked and answered. It was an informative session.

The chair will gather feedback and make a recommendation to the board within the next couple of days.
