

IMPORTANT NOTICE FOR ALL WESTBURY RESIDENTS WHO USE OUTDOOR PARKING

Residents using outdoor parking should be prepared to move their cars from their space within an hour of the removal of the town's ban on on-street parking to enable complete clearing of Westbury's driveways and parking areas. To learn the status of the on-street parking ban, go to the town website (www.westhartfordct.gov) See "regulations of snow ban." Current snow related parking bans are typically listed on the home page. Television channels 3, 6, 8 and 30 also provide current information. Watch for snow removal activity on site to know when to return your car to its space
