Alan,

The price for the service contract on your Canon Image Runner 3880i Color Copier is as follows:

Yearly Service Contract:

1 Year or 75,000 Black & White and 25,000 Color Images : **\$2,800.00 plus tax** if you pay all at once, yearly
This contract covers all service, parts, labor, drums & toner. Images include all copies, prints, faxes & scans

Monthly Service Contract:

6,250 Black and White Images and 2,085 Color Images Per Month Allowed (Overages are billed at \$0.07 for color images and \$0.01 for black and white images). Images include all copies, prints, faxes and scans. This contract covers all parts, labor, service, toner & drums.
The monthly charge is **\$275.00 plus tax** per month.

Note: IT time is not included in either service contract. We do not offer contracts that include IT time, but we do offer a separate IT contract if you are interested. The IT contract covers all issues that happen between the copier and the computer. Including scanning and printing issues, issues with the wireless printing capabilities, etc. IT service is chargeable at \$125.00 per hour.

If you decide to not go with a service contract, service is chargeable at \$125.00 per hour plus tax. Parts are an additional cost.

Here are the part costs for the most used/popular parts:

Toners: Between \$70-\$90 for Generic, Between \$90 and \$175 for OEM

Drums: Between \$272 -\$316

Fuser Assembly: \$1,429.95

Transfer Belt: \$417.95

Please let me know if you have any questions at all about these terms.

Thank you so much for your time,
